Third International Conference on Sustainable Construction Materials & Technologies – Kyoto Summer 2013

Third International Conference on Sustainable Construction Materials and Technologies (SCMT3) has now been finalized for August 18 – 22, 2013, Kyoto, Japan. Kyoto is the old capital of Japan. It is about 700 kilometers southwest, by car, from the nuclear power plant in Fukushima. The deadline for sending abstracts, 200-300 words, for topics related to the theme of this conference is June, 2012
