## CONFÉRENCES/CONGRÈS

### **15th International Specialty Conference on Cold Regions Engineering**

Location: Quebec City

Date: August 19-22, 2012

[15th International Specialty Conference](#)

### **21st CSCE Hydrotechnical Specialty Conference**

Location: Banff, Alberta, Canada

Venue: Banff Springs Hotel

Dates: May 14-17, 2013

Information coming soon!

### **EIC Climate Change Technology Conference CCTC 2013**

Location: Montreal, Concordia University

Dates: May 27-29, 2013

Call for Papers

<http://www.cctc2013.ca/CallPapers/CallPapers.html>

### **CSCE 2013 Annual Conference**

Location: Montreal

Dates: May 29 – June 1, 2013

Watch this site. More information will be coming shortly, including:

- exciting video
- preliminary program

### [2013 CSCE Annual Conference](#)

**CALL FOR PAPERS –The Call for Papers is now available on the CSCE 2013 Annual Conference website. Please click on the link above to download the brochure.**

### **Congrès annuel de la SCGC**

Lieu: Montréal

Date: 29 mai – 1er juin 2013

Visitez ce site: [2013 CSCE Annual Conference](#)

De plus amples details seront disponibles sous peu, dont:

- vid  de presentation
- programme pr  minaire

**APPEL AUX COMMUNICATIONS – L'appel aux communications est maintenant disponible sur le site web du Congr  s annuel 2013 de la SCGC. Veuillez sur lien ci-dessus pour t  t  cher la brochure.**

### **Third International Conference on Sustainable Construction Materials & Technologies – Kyoto Summer 2013**

Third International Conference on Sustainable Construction Materials and Technologies (SCMT3) has now been finalized for August 18 – 22, 2013, Kyoto, Japan. Kyoto is the old capital of Japan. It is about 700 kilometers southwest, by car, from the nuclear power plant in Fukushima. The deadline for sending abstracts, 200-300 words, for topics related to the theme of this conference is June, 2012

## **MEMBERSHIP MATTERS/CARREFOUR DES**

### **Interested in being an e-mentor for DreamCatcher Mentoring?**

What is DreamCatcher Mentoring (DCM)?

DCM is an on-line career mentoring and leadership program for northern high schools that connects students to Canadian mentors who are working in their aspired career. The program was established to empower Yukon and Nunavut students to realize the rewards of staying in school and pursuing further education and training.

### **RENEWAL REMINDER/RAPPEL – Renouvellement de l'adh  sion**

We've passed the midpoint for this Membership year and the time for renewing your 2012 Membership is NOW. Please log-on to your profile on our website or attach your cheque to your Renewal Notice and ensure that our mutually beneficial relationship continues, as we move forward with our exciting new initiatives. As you read this E-bulletin, you will read about the successful efforts of your fellow members in action.

Our Society has been asked by the Minister of Infrastructure to participate in

a consultative process leading to a new Infrastructure Program, expected to be in place by the spring of 2013. We are all working together to ensure the future of civil engineering in Canada. Only with your support can we continue to make a difference! Please do not hesitate to contact Pat Kerr should you require assistance. [info@csce.ca](mailto:info@csce.ca)

Le mois de mars arrive et il est MAINTENANT temps pour le renouvellement de votre Membership. Nous vous prions de consulter votre profil sur le site web ou d'attacher votre paiement et votre Avis de Renouvellement afin que notre relation commerciale mutuelle puisse continuer à ce moment important où nous démarrons d'excitantes initiatives.

La lecture de ce bulletin vous sensibilisera aux succès et aux efforts de vos confrères. Le Ministre des Infrastructures a sollicité la participation de notre société dans la préparation d'un nouveau programme d'infrastructure qui devrait être instauré au printemps 2013. Nous travaillons tous afin d'assurer un bel avenir au génie civil au Canada. Ce n'est qu'avec votre appui que nous pouvons nous démarquer, n'hésitez pas à contacter Pat Kerr si vous avez besoin d'assistance [info@csce.ca](mailto:info@csce.ca)

## LIFELONG LEARNING/FORMATION CONTINUE

### Coming soon ...

1. Guide to Bridge Hydraulics - Ottawa, September 18, 2012
2. National Lecture Tour: Canada's Infrastructure Report Card - September 2012
3. Calcul des ponts et passerelles en aluminium selon CAN/CSA-S6-06 – Québec, octobre 2012
4. CSA-S850 Design and Assessment of Buildings Subject to Blast Loads - Nationwide from November 2012

Details will be available soon at [www.csce.ca](http://www.csce.ca)

### Bientôt ...

1. Guide de l'hydraulique des ponts – Ottawa, 18 septembre 2012 (en anglais)
2. Tour nationale : Rapport sur les infrastructures du Canada - septembre 2012
3. Calcul des ponts et passerelles en aluminium selon CAN/CSA-S6-06 – Québec, octobre 2012
4. CSA-S850 Design and Assessment of Buildings Subject to Blast Loads – à partir de novembre 2012 (en anglais)

Les détails seront disponibles sous peu à <http://csce.ca/fr/>

## COMING EVENTS/ÉVÉNEMENTS À VENIR

### **Calling all University of Saskatchewan Engineering Grads to the Party of the Century!**

Visit the Centennial **or** call Shawna Jardine at 306-966-5286.

Date: September 20-23, 2012

[Calling all University of Saskatchewan Engineering Grads!](#)

### **Australasia and South East Asia Conference,**

**Location: Perth, Western Australia**

**Dates: Nov 28-Dec 2, 2012**

You are invited to join us at the inaugural Australasia and South East Asia Conference, ASEA-SEC-1, in Perth, on 28 – 30 November, 2012. The Conference is being organised by the staff of the Department of Civil Engineering, Curtin University, and will be held at our beautiful main campus, a few kilometres south of the Perth CBD.

ASEA-SEC-1 [1st Australasia and South East Asia Conference in Structural Engineering and Construction \(ASEA-SEC-1\)](#)

## GENERAL NEWS/NOUVELLES

### **Canadian-China Winter Transportation Symposium 2012 Successfully Held and CSCE/CHTS Memorandum for Continuing Collaboration Joyfully Renewed ☑ VENIR**

It is truly a success and joy – the first Canadian-China Winter Transportation Symposium (CCWTS) was successfully held on June 4th at the University of Alberta, Edmonton prior to the 2012 CSCE Annual Conference. [Please click here to read the whole article.](#)

## CAREER OPPORTUNITIES/CARRIÈRES

### **Carleton University - Dept. of Civil and Environmental Engineering - Position opening.**

The Department of Civil and Environmental Engineering at Carleton University invites applications for a preliminary (tenure-track position) at the Assistant Professor level in the area of wood engineering.

## INTERNATIONAL ASSISTANCE/ASSISTANCE

### **Formation en Haïti**

Haïti

L'entreprise de construction Pisaco, établie en Haïti depuis 15 ans, est ☑ la

recherche de bénévoles pour fournir un encadrement et un support en formation dans les domaines suivants :

- Forages et accessoires
- Battages de pieux et accessoires
- Structures métalliques
- Procédures administratives (très urgent)

Pisaco prendra en charge les frais de transport et d'hébergement.
