

# CSCE HYDROTECHNICAL ENGINEERING AWARD

## Hydrotechnical Division

### Canadian Society for Civil Engineering

## Introduction

The CSCE Hydrotechnical Engineering Award is presented each year for the best Masters' thesis in Canada related to hydrotechnical disciplines. The award is intended to recognize an outstanding Masters' thesis that demonstrates high quality research technique, high quality presentation of the work, and relevance to water engineering and water management in Canada.

## Process

- Submit a PDF of the thesis by e-mail to [aauckland@golder.com](mailto:aauckland@golder.com).
- Each thesis must be accompanied by a letter of nomination from the nominating professor.
- Include the contact information for both the student and the professor.
- There are no limitations to the number of entries from each university.

## Award

This year's award winner will receive a certificate of award, plus the following prizes:

- Full registration to the 22<sup>nd</sup> CSCE Hydrotechnical Conference in Montreal, Quebec (April 29-May 2, 2015),
- One year free membership to CSCE, and
- \$1000 cash award.

## Deadline

The submission deadline is February 27, 2015.

## Contact

If you have any questions about this award or wish to submit a nomination, please contact:
